Principal's Message

The Moment is Today

Dear Parents,
We believe that education should replace an empty mind with an open one. At Mahalakshmi Vidya Mandir, we aim to nurture kind, intelligent, and strong adults who are original in their ideas and decisive in their actions. Our focus is on real-world learning, developing life skills, and instilling values. We welcome you to our MVM family and hope that your child's journey with us will lead to fruitful results.
"The moment is TODAY..."
Best regards.

New Year BEGINS

*Bridging The Learning Gap:
Getting students ready for the
next Level*

As the new academic year begins, students must transition to higher-level studies. Bridge courses provide a solution, helping students build a solid foundation in essential concepts and skills. With expert guidance, students can overcome initial hurdles and start the year with confidence. By filling knowledge gaps and reinforcing critical thinking skills, bridge courses can help students develop a stronger sense of academic preparedness and motivation.

RAMZAN Celebration

The Ramzan celebration at school was indeed a joyous occasion, brimming with warmth and camaraderie. The students, dressed in their best attire to mark the special day. The air carried the sweet aroma of traditional sweets and the soft chanting of Quranic verses. The teachers, dressed elegantly, greeted the students with smiles and warm hugs. The Ramzan celebration served as a wonderful way to unite the community and foster a sense of harmony.

No Bag Day

On April 13, 2024, our school celebrated No Bag Day! Students ditched their books for a day of fun activities and games, designed to stimulate their minds and promote creativity. It was a unique chance for kids to socialize, build teamwork, and problem-solve in a relaxed and enjoyable environment.

➤ Little Chef

This activity was designed to engage all their senses and promote life skills. The little chefs prepared healthy and nutritious dishes. The session provided a platform for kids to harness their creativity and imagination.

At the end of the day, the children were left with immense pleasure in their hearts and this event will be cherished in their memories for a long time.

Matchstick Art

Matchstick Art served as a unique brain exercise program. These simple art exercises helped the students to engage their five senses in unexpected ways, anytime and anywhere. The imagination and creativity of our little artists left them highly stimulated.

🎤 Story Telling

The blossoming storytellers participated in a Storytelling activity where their stories held the magic of transporting people to another place. The little ones came equipped with all the necessary props, puppets, picture cards and preparation to present their story. The children were oozing with confidence and excitement as they narrated the story with voice modulations and relevant expressions. The tiny tots with their excellent storytelling skills left a mesmerizing impact. This activity helped in fostering their communication and social skills.

➤ Clay Modeling

Miniature World is a clay modelling activity that promotes creativity. It was beneficial to kids, as it helped to Promote self-confidence, encouraged self-expression and developed problem-solving skills.

Riddles & Brain Teasers

➤ Riddles

- 1 What can you catch but can't throw?
